FEES

Stanford Achievement Test \$45
Available in the spring K-11th grade. Billed in May for those taking the test)

Smart Science Virtual Labs (6th-12th) \$45 (annual)
Smart Science Labs covers all experiments for the science course taken. Families do not need to purchase any equipment or supplies to complete the virtual labs which are done online.

NFC Academy full-time students in grades 9 and above must take 6 courses each year to earn the 24 credits required for graduation.

WORLD LANGUAGE COURSES FOR ELEMENTARY & MIDDLE SCHOOL

Middlebury World Language (Spanish elective 3-5 grade) \$255 (For both semesters)
Middlebury World Language (Spanish elective 6-8 grade) \$225 (Each semester)

Middlebury world languages are an additional option for elective courses in Elementary and Middle School grades. Middlebury courses expire one year after the initial enrollment date. Once enrolled, if the student withdraws for any reason the full tuition cost remains due for the entire course. Middlebury courses are only available to full-time NFC Academy enrolled students. Middlebury course have NFC Academy teachers assigned. Speak with our Enrollment Specialists for information on Middlebury courses.
